Dear Parishioners and Friends,

It has been 10 years since the Parish has undertaken a comprehensive Parish Planned Giving Campaign. The Parish Finance Council has decided that it is now timely to bring this matter before you as the Parish launches **PLANNED GIVING CAMPAIGN 2018**.

As you are all aware, the cost of living has increased significantly over the last ten years. The Parish, like your households, is affected by the rising prices of electricity, fuel, food, insurances, rates, maintenance etc. \$100 in 2008 buys a lot less in 2018.

The generosity of Parishioners since the Parish's foundation has ensured that the Catholics of today have church buildings in both Taupo and Turangi that are well-suited for our present needs. However, it is essential that we plan for our financial future and the continued viability of our Parish.

With **PLANNED GIVING CAMPAIGN 2018** the Parish invites you to consider the following: Are you ...

1

Presently enrolled in the PLANNED GIVING PROGRAMME?

Are you giving in 2018 what you were giving in 2008?

If "YES": Are you in a position to review your present level of giving?

2

Not presently enrolled in the PLANNED GIVING PROGRAMME?

Would you consider becoming a member of the Planned Giving Programme?

If "YES": What are you able to contribute on a weekly/fortnightly/monthly basis?

3

Presently using the PLANNED GIVING ENVELOPES?

Would you consider changing to Automatic Payments (APs) instead of the envelopes (see p. 10 for an explanation)?

4

Presently placing CASH IN THE COLLECTION BASKET?

Would you consider enrolling in the Planned Giving Programme (see the side bar on p. 9 for an explanation).

Our Parish today, and the future generations of Parishioners, need your generosity and foresight if we are to remain financially viable and maintain a significant Catholic presence in Taupo and Turangi. Our FUTURE depends on your decision TODAY.

Maintenance

The PARISH FINANCE COUNCIL (PFC) has the responsibility of ensuring that there is a maintenance programme for our buildings and other major assets.

St Patrick's Church, Taupo

Little major work has been done on the church in 30 years.

SKYLIGHT ABOVE THE ALTAR leaks and a number of attempts to fix this has failed. The decision has been made to remove this structure. At present we are trying to secure a building firm that will be able to do this work. Parishioners will be informed about the cost when this has been finalised.

TAUPO CARPARK

The Parish and the School share responsibility and liability for the carpark at a ratio of: 25% (Parish)/75% (School). Any maintenance/capital expenditure on the carpark needs to be agreed to by both parties. At present it has been decided that remedial repairs will be undertaken as and when required.

St Joseph the Worker Church, Turangi

CHURCH ROOF

There are leaks in the church roof that will require attention. We are presently awaiting a firm to inspect it and present a proposed plan of repair.

Parishioners will be informed about the cost when this has been finalised.

DRAINAGE ISSUES

There are drainage issues in the carpark that need to be attended to as soon as possible.

Caring for our assets

ASSETS

The Parish has a number of assets that require ongoing maintenance:

- ➔ 3 churches (Taupo, Turangi & Waihi Village)
- ➔ 2 presbyteries (Taupo & Turangi)
- ➔ 1 guest house (Taupo – left to the Parish by a deceased Parishioner)
- ➔ 2 carparks (Taupo & Turangi)

The PLANNED GIVING PROGRAMME funds these projects.

You may recall

SALE OF HERAPEKA STREET PROPERTY

The Herapeka Street property, Taupo, was surplus to our needs and was sold in 2017. The PARISH FINANCE COUNCIL (see side bar on p. 3 for the members of the PFC) decided:

- ➔ that the funds from the sale would be deposited into the PARISH'S CDF SAVINGS ACCOUNT (see p. 3).
- ➔ that the PRINCIPAL would remain intact as a legacy for future parishioners.
- ➔ that the INTEREST accrued would be used to promote the spiritual and pastoral needs of today's parishioners.

How will the INTEREST be used?

PARISH PLAN
2018

Early this year we published the PARISH PLAN 2018 and distributed it to all Parishioners. For your convenience we include a copy with this pack. In particular, we would like to draw your attention to the following sections:

- ➔ spiritual
- ➔ pastoral
- ➔ faith formation
- ➔ youth
- ➔ social justice

The INTEREST ACCRUED will fund these projects.

Faith Formation

Alison Carrol is the Parish FAITH FORMATION COORDINATOR. This is a newly created position.

Alison organises, prepares and coordinates the implementation of the Faith Formation courses in the Parish:

- ➔ Sacramental programmes
- ➔ RCIA
- ➔ Alpha
- ➔ United – Marriage Enrichment programme

(see the **Parish Plan 2018** for other Faith Formation courses available this year).

The work of the Faith Formation Coordinator is funded from the INTEREST accrued from the sale of the Herapeka Street Property.

Youth Ministry

2017 saw the appointment of our Parish Youth Minister. It was a modest beginning but a fruitful one. In 2018 the Parish appointed Colin Shirley, to this position. There's no stopping Colin – he has the G1 youth group for year 7 & 8 students; and the senior youth group for secondary school students. Colin also runs a weekly youth group for young inmates at Tongariro Prison.

Colin coordinates the soup kitchen outreach and he has just completed an Apologetics course. In June he begins a Back to Basics course.

The work of the Parish Youth Worker is funded in part from the INTEREST accrued from the sale of the Herapeka Street Property.

Acts of Charity

In 2017 we made charitable donations of \$2,743. This money went:

- ➔ to assist children at our school to attend camps
- ➔ to help towards the payment of the attendance dues for children at our school
- ➔ Assist Relief funds recommended by Caritas and the NZ Bishops.

In 2018 we have already made charitable donations to:

- ➔ the Edgecumbe Relief fund of \$2,000 – after the floods of 2017 devastated the township.

In 2018 we will also fund:

- ➔ the obligatory Religious Education course for all teachers new to Catholic schools
- ➔ Any Relief effort approved by the Bishops and Caritas Aotearoa.
- ➔ School projects as required.

Wages

The Parish employs three part-time workers:

- ➔ Parish Secretary (3 hours per week)
- ➔ Parish Faith Formation Coordinator (10 hours per week)
- ➔ Parish Youth Worker (20 hours per week plus board and lodgings)

The days of volunteer staff doing this work is well and truly gone.

We need to pay our employees a just wage.

The money to pay wages comes primarily from the PLANNED GIVING PROGRAMME.

The Parish has more than enough work available to offer more hours to our employees. However, our present income does not make this possible.

Diocesan Levy

Each Parish in the Hamilton Diocese is required to pay the DIOCESAN LEVY.

This is calculated at 22% of the total of our PLANNED GIVING PROGRAMME.

The DIOCESAN LEVY is used to meet the operating costs of the Diocese.

In 2018 our DIOCESAN LEVY is calculated at \$23,230.

The DIOCESAN LEVY is our single biggest expense.

Cathedraticum

The CATHEDRATICUM is the levy that each Parish has to pay the Bishop to run his Office and for his upkeep.

This is calculated at 10% of the money collected for the HOUSE ACCOUNT.

Some Sober Reading

Look at these numbers – they make for sober reading.

What is clear is that our oldest parishioners – the same ones that have been giving for the last 30/40/50 years – are still carrying the burden of keeping the Parish financially viable.

THIS PATTERN OF SUPPORT IS NOT SUSTAINABLE.

Younger Parishioners and those not presently supporting the Parish financially, will need to step up and pull their weight if we are to plan for the Parish's financial future and continued viability. We simply cannot continue to depend on the generosity of our oldest Parishioners.

Join the Planned Giving Programme – A Win/Win Situation

When you become a member of the PLANNED GIVING PROGRAMME you receive a Planned Giving Number. This means that your donations to the Parish are IDENTIFIABLE and you are eligible to claim for the CHARITABLE DONATIONS REBATE ($\frac{1}{3}$).

Charitable Donations Rebate

Individuals can claim one third ($\frac{1}{3}$) of their charitable donations up to the level of their annual taxable income. To be eligible for the rebate your donations must be **IDENTIFIABLE**.

YOUNGER PARISHIONERS ARE ENCOURAGED TO STEP UP

PARISHIONERS PRESENTLY NOT SUPPORTING THE PARISH FINANCIALLY ARE ENCOURAGED TO STEP UP

PARISHIONERS GIVING ONLY OCCASIONALLY ARE ENCOURAGED TO STEP UP

What does '**IDENTIFIABLE**' mean? – Where your donation is matched to you. This is possible only when you donate via the **PLANNED GIVING**:

- ➔ you sign up
- ➔ you receive a Planned Giving Number
- ➔ your donations are recorded against your Planned Giving Number
- ➔ your donations are **IDENTIFIABLE**
- ➔ you are issued with a tax receipt in April each year and you are then eligible to claim for the **CHARITABLE DONATIONS REBATE (1/3)**.

Consider this example – A Win/Win Situation

\$15 – \$5 (1/3 rebate) = \$10

If you donate **\$15** per week via the **PLANNED GIVING PROGRAMME** – your donation is **IDENTIFIABLE**.

- ➔ the Parish receipts your donation (**\$15**)
- ➔ you claim the 1/3 rebate from the government (**\$5**)
- ➔ Your **NET GIVING** is **\$10 (\$15 – \$5)**
- ➔ Parish gets the use of your original **\$15**
- ➔ A Win/Win Situation

Cash in the Collection Basket

If you put **CASH** in the basket at Mass on Sunday, your donation is **NOT IDENTIFIABLE** and so you are **NOT ABLE TO CLAIM THE REBATE**.

Please consider joining the **PLANNED GIVING PROGRAMME** – a Win/Win Situation.

Stewardship Sunday

- ➔ is about the Parish Finance Council (PFC) being **TRANSPARENT** and **ACCOUNTABLE**: Parishioners will receive a copy of:
 - the Annual Financial Report
 - any planned capital expenditure
 - the Annual Budget (from 2019)
- ➔ is about inviting all adult Parishioners to take **PERSONAL RESPONSIBILITY** for the cost of running the Parish.

Mission & Maintenance

- ➔ **MISSION**: is about coming to know and love Christ and the Church better, so that we can **GO OUT** and make Christ and the Church known to **OTHERS**.
- ➔ **MAINTENANCE**: is ensuring that we have the infrastructure in place to allow the **MISSION** to flourish.

How much should I give?

This is a difficult question to answer.

- ➔ In the Pentecostal Churches, members are expected to **TITHE** – i.e. to give 1/10 of their annual gross income to Church.
- ➔ In other Churches, members donate 1% of their annual gross earnings.
- ➔ In the Catholic Church, the amount that members offer is left up to themselves.

Here are some points to consider:

- ➔ Do you want Taupo and Turangi to continue having a **SIGNIFICANT CATHOLIC PRESENCE**?
- ➔ If your answer is **YES**, then it will cost – it's as simple as that.
- ➔ Giving to the Parish the small change that you have at the bottom of our pockets/purses, or the parking meter money that you have in our car ashtrays when you arrive at church on Sundays will not pay the bills.
- ➔ The Parish needs to put in place a **SUSTAINABLE STRATEGY** to ensure that each year it is able to meet the ever increasing costs of mission and maintenance.
- ➔ **STEWARDSHIP SUNDAY** is part of this strategy. It's about creating a **CULTURE OF GIVING**.
- ➔ It is hoped that, with this information, you will take the opportunity to review your giving.
- ➔ The Parish does not expect you to give more than you are able but it does encourage Parishioners to step up and pull their weight financially.
- ➔ The only way to ensure that the Catholic Church will be here in Taupo and Turangi for the generations to come – your children, grandchildren and great grandchildren – is to put in place a strategy to ensure our financial viability.

Parish Planned Giving Programme options?

1

REGULAR AUTOMATIC PAYMENTS (APs)

This is by far the best option for the Parish – your contribution comes to the Parish even if you are on holiday, sick or not present at Mass for whatever reason.

For this option:

**Go to p. 13 and
complete the form.**

This is the **BEST** option for the Parish.

2

WEEKLY PLANNED GIVING ENVELOPES

While this option is good, it has a number of disadvantages for the Parish:

- ➔ it's easy for you to forget to bring the envelope to church
- ➔ if you are away on holiday, sick or not at Mass for whatever reason, the Parish does not receive your weekly contribution.
- ➔ while there may be every good intention to make up the contributions when you are next at Mass, often this does not happen – the Parish does not gain the benefit of your giving.

For this option:

**Go to p. 15 and
complete the form.**

This is a **GOOD** option for the Parish.

3

ANNUAL DONATION

You may prefer to make your donation annually.

For this option:

**Go to p. 15 and
complete the form.**

Thank you for choosing this **OPTION**. We are most grateful.

Thank you for choosing this OPTION. We are most grateful.

ONE-OFF DONATION

You may prefer to make a one-off donation to the parish.

For this option:

Go to p. 15 and complete the form.

PLANNED GIVING NUMBER

In the case of each of these options, you will receive a PLANNED GIVING NUMBER so that your donation will be IDENTIFIABLE and you will be able to claim the CHARITABLE DONATIONS REBATE of $\frac{1}{3}$ from the government.

The Planned Giving Programme is not intended for those who simply are not in a position to give to the Church. Nor does the Parish expect you to give more than you are able. It does, however, encourage those Parishioners who are able, to step up.

Our FUTURE depends on your decision TODAY.

Setting up your APs

Please complete this form and return it together with the slip on p. 15 to the Parish Office OR seal it in the enclosed envelope and place it in the collection basket at Mass.
