GRACE

Over the past few weeks in the Gospel, we have seen many moments of the Lord's compassion at work. As he travelled around Nazareth with the Apostles, his eyes and heart were simply brimming over with unconditional love. In him came, and comes, what one could call *irresistible GRACE*. He carried it with him all the way to the Cross.

Perhaps these words resonate in your own faith journey – in what you have seen, experienced, and overcome as a Christian. We would love to hear how!

By allowing the Spirit to flow through your heart, please take a moment to write down how this phrase about our King and Christ – *irresistible GRACE* – might apply in your own life. There's no wrong answer!

We want *irresistible GRACE* to be at the heart of our parish community and are keen to hear your thoughts. Take a few minutes to help us see him more clearly today!

As we grow together as Roman Catholics, help us to shape the present & future of Tongariro Catholic by opening your heart to what Christ offers to us so freely – infinite mercy and *irresistible GRACE*!
